

Dear Parents/Guardians,

Regards from St. Augustine's School, Kalimpong.

Hope everything is all is well at your side. We are left with hope of reopening the school in all category from the session 2022 but again the spread of another variant "Omicron" is really alarming. Let us hope and pray that everything comes to end and our life comes to its normalcy.

St. Augustine's School, Kalimpong, the management, staff and faculty members would like to acknowledge your support and the trust you have shown during these challenging and stressful months due to pandemic towards your school.

"We have completed well; We have finished the race; We have kept the faith"-2 Tim 4:7...let the crown of righteousness and God's blessings be upon each of us.

Wishing you and your family God's blessing during this season and the New Year 2022.

For whatever reason, if your son's result is withheld, kindly approach the office **ONLY BY FIRST WEEK OF FEBRUARY 2022.**

School Office remains closed from 18th Dec, 2021 to 31st January 2022.
