

CORRIGENDUM

We humbly apologise for the printing error in the **School Calendar 2024** where the last date to pay the **Tuition Fees** for the month of March without fine has been mentioned as **10th March, 2024**.

It is to be noted that for every academic year, the **Tuition Fees** for the months of **March** and **April** is to be paid together, along with the **Annual fee** at the beginning of the **New Financial Year**, on or before **10th of April**.

Please be sure to pay the **Annual fees**, without which the other payments cannot be done.

It is advisable for the parents/guardians to pay the **Annual and Tuition Fees** via the school website – www.saskalimpong.com using the **Bandhan Bank** portal.

An instructional video is uploaded on the website. <https://youtu.be/1CkKdwIVWzE>
